

Growing Roots

Bursering for Personal Growth

CONFIDENTIALITY STATEMENT

Growing Roots works with children, young people and adults who may be vulnerable and at risk of harm. Please sign this confidentiality statement before working or volunteering with Growing Roots.

- I understand the need to maintain confidentiality at all times whilst working or volunteering for Growing Roots and also to maintain that confidentiality at the end of the working/volunteering relationship with Growing Roots.
- I undertake to not pass on any personal information about participants on programmes, volunteers and employees of Growing Roots that I learn of through working or volunteering on projects. I will not pass this information on verbally, in writing to other people or on social media.
- I will ensure that if I need to pass on confidential information whilst working (see Confidentiality policy) , that this is not done in the presence of other people who do not need to know the information.
